### **POSITIVE PROFIT ALERT**

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that based on the latest review of the preliminary unaudited consolidated management accounts of the Group for the financial year ended 31 December 2017 (the “**Financial Year 2017**”) and the information currently available to the Group, the Group is expected to record an increase in the profit attributable to owners of the Company of more than 30% for the Financial Year 2017 as compared to that of approximately HK\$15.8 million for the financial year ended 31 December 2016 (after excluding the non-recurring listing expenses incurred in the same year). The increase in the consolidated profit attributable to owners of the Company for the Financial Year 2017 is primarily due to the significant increase in revenue of concrete demolition services.

The audited financial results of the Group for the Financial Year 2017 are expected to be published in February 2018.

**Shareholders and potential investors are, therefore, advised to exercise caution when dealing in the shares of the Company.**
